Sub: Request for Industrial Visit for B. Pharm. Students

Dear Sir / Madam,

Anjali College of Pharmacy and Science is a premier institute in the Uttar Pradesh region approved by Pharmacy Council of India, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Uttar Pradesh, Lucknow.

Our Institute conducts a four years degree course in Bachelor of Pharmacy, the duration of which includes a mandatory Industrial visit in their fourth year (Semester VIII) to an industrial establishment or an approved research laboratory. The aim of the industrial/ research laboratory visit is:

- In case of industry - visit to different sections and subsections of the industry, an idea about the functioning of the industry, product range of the industry and various approvals of the industry;
- In case of research laboratory - visit to different departments of the laboratory, an idea about the interdisciplinary coordination, contribution of the laboratory to the society and various approvals of the laboratory.

In view of the above, we submit herewith the application of one of our students for his/ her Industrial visit to your esteemed organization. Your kind cooperation for making your hospital/ industry facilities available to the student for the Industrial Visit is solicited please. **The student is required to submit a project report on the visit conducted at your esteemed organization and a Certificate duly signed by the concerned authority at your organization to the Institute** to enable the below-mentioned student to qualify for the award of the Degree in Bachelor in Pharmacy among other requirements of the Pharmacy Council of India, Government of India.
